

# FIND YOUR FUTURE FORUM

## Futures in Tech

If innovation and creativity are in your genes, come explore the exciting world of FinTech at BlackRock's one-day educational program for college sophomores

### Who is BlackRock?

BlackRock is a global investment firm that combines the energy and fast-paced nature of a startup with the security and resources of a leading global asset manager. Our technology empowers investors - of every size - with the insights they need to make smart decisions that deliver a safe financial future for our clients.

### What will you learn?

Discover the wide range of career opportunities BlackRock offers in Technology

Learn how our engineers harness big data to solve some of the world's most complex financial challenges

Acquire the tools, communication strategies and best practices needed to help you land your dream job – and succeed at it

### Are you eligible to attend?

We are seeking talented sophomores across any major or discipline who self-identify as female, Black or African American, Hispanic or Latino, Native American, LGBTQ+ and/or disabled.

### Application deadline:

March 7 at 8:00AM EST
