

Accounting Intern (Summer 2022)

at Reddit

San Francisco, CA; Los Angeles, CA; Remote

Our mission is to bring community and belonging to everyone in the world. Reddit is a community of communities where people can dive into anything through experiences built around their interests, hobbies, and passions. With more than 50 million people visiting 100,000+ communities daily, it is home to the most open and authentic conversations on the internet. From pets to parenting, skincare to stocks, there's a community for everybody on Reddit. For more information, visit redditinc.com.

Do you dream of both working at a mid-size tech company with a massive user base and browsing [r/catsstandingup](#) at work? Do you love engaging with and helping others? If you are someone who is passionate about growing with a rising business, values efficiency and creative problem-solving, and thrives in a fast-paced, open, and fast-growing environment, then this is a great role for you!

Responsibilities:

Work on projects that impact the business. You'll work closely with the Accounting team to identify meaningful projects that benefit the larger Finance organization. You'll get exposure to day to day accounting functions, financial reporting, assisting with management and executive presentations, and more.

Be mentored by experienced Finance Professionals from all backgrounds. From universities, small to medium and large companies, you'll work with finance professionals of many different experiences and levels. You'll have a formal mentor on your team guiding you throughout the summer as well!

Contribute to the betterment of Reddit. Manage, assist with, and help improve accounting operations within the team and cross functionally. Assist with ad hoc projects as assigned by the Technical Accounting and Functional Accounting Managers and rest of the accounting/finance team.

Come to work at our San Francisco or Los Angeles office, complete with catered lunch, free snacks, and easy access to downtown SF or LA. Additionally, you will have the flexibility to work remotely when there are no in-person meetings or events. *(Subject to change based on safety guidelines created due to the global health pandemic)*

Continue making Reddit history as a part of our next intern class. Be a part of a new community, earn piles of sweet Reddit swag and get to know the city during sponsored outings over the course of the summer.

Required Qualifications:

- You are actively working towards a Bachelor's degree in Accounting, Finance, Economics, or a related field
- You are graduating between December 2022 to June 2024
- You love interacting with new people
- You are comfortable finding a path forward in ambiguous situations
- You are over the age of 18 and authorized to work in the United States
- You have a desire to work remotely and at a Reddit office in San Francisco or Los Angeles over Summer 2022 (*Subject to change based on safety guidelines created due to the global pandemic*)

Preferred Qualifications:

- Understanding of accounting principles and financial statements
- Understanding of Microsoft Office and Google products such as Excel and Sheets
- Active user of Reddit and are familiar with the aspects of the service
